

## Source Card Template

	<b># of Source</b>
<b>Name of Website</b>	
<b>“Name of Article”</b>	
<b>*Author’s Name</b>	
<b>*Date article was published</b>	
<b>*This info may or may not be available from every source. If it is, then include it on the source card.</b>	
<b>URL (Web Page address)</b>	

**You will need a source card for every source you plan to use for your paper.**

## Note Card Template

<b># of Source the info came from</b>
<b>Sentence or piece of information from highlighted info from the source that matches the above number.</b>
<b>Put a P or Q here depending on whether or not you paraphrased the info (P) or quoted it word for word from the webpage (Q).</b>

**You will need note cards from each source you plan to cite on your Works Cited Page.**
